Built on values. Delivered with pride.

Everything we do rests on a foundation of trust, reliability, and respect for the homes and families we serve. These are the principles behind every quote we give and every nail we drive.

OUR MISSION

To be the GTA's single most trusted name in home contracting — the one team a home owner can call for anything, and trust to get it right the first time.

OUR VISION

A Greater Toronto Area where quality craftsmanship, fair pricing, and genuine accountability are the standard — not the exception — in every home improved.

THE VALUES BEHIND EVERY JOB

01

Integrity

We say what we mean and we do what we say — from day-one quote to final walkthrough.

02

Craftsmanship

Current with Ontario codes and the latest trade standards, so work is done right and built to last.

03

Accountability

Licensed, insured trades on every site. Cutting corners is never an option in someone's home.

04

Client First

We listen, we plan, and we deliver to your needs, your budget, and your timeline.

"We don't leave until the job is done and you're happy with the result."

— THE MAH PROMISE

Every trade your home needs, under one roof.

Most homeowners juggle a different company for every job. We replace that with one trusted team — licensed across plumbing, electrical, HVAC, assembly and construction. One call covers it all.

01

Construction & Renovation

Finished basements, legal apartments, full-home renovations, kitchens, flooring, drywall, countertops, stairs, railings, decks, interlocking and paving — managed end to end.

02

Plumbing

Faucets, sinks, vanities, pipe repair and replacement, dishwasher and fridge hookups, laundry units and shower mixers — completed to Ontario plumbing code, clean and right the first time.

03

Electrical

From a single outlet to a full panel upgrade: EV chargers, pot lights, chandeliers, backyard and cabinet lighting, hot-tub hookups — all to ESA standards, inspected and permit-ready.

04

HVAC

Furnaces, air conditioners, HRV systems, humidifiers, fireplaces, gas stoves, ranges and BBQ hookups — installed and serviced to TSSA regulation. Comfortable in every season.

05

Assembly & Installation

TV mounting, window and door installation, BBQ and gazebo assembly, furniture, playground equipment, backyard features and seasonal décor — set up properly so it lasts.

Transform your home from the ground up.

Whether you're finishing a basement, converting a legal apartment, renovating a kitchen, or reimagining a bathroom, MAH delivers exceptional results — on time and within budget. Skilled trades, quality materials, and honest pricing on every project, interior or exterior, big or small.
